### **AEA Powerhouse Modules Tour and Open House**

(Anchorage) – The Alaska Energy Authority (AEA) will host a Powerhouse Module Tour and Open House from **11:00 AM to 2:00 PM on Wednesday, August 28, 2019**, at the Weona Corporation Fabrication Facility, [10501 Olive Lane](#), in Anchorage. Two newly constructed, state-of-the-art, latest generation power plants will be available for viewing. These modules were competitively bid and constructed in Anchorage for barge shipment to the rural Alaska communities of Port Heiden and Clark's Point, where they will be installed this fall.

**WHO:** AEA Rural Power System Upgrade Program Management and Staff

**WHAT:** AEA Powerhouse Module Tour and Open House

**WHEN:** **Wednesday, August 28, 11:00 AM – 2:00 PM**

**WHERE:** Weona Corporation, 10501 Olive Lane, Anchorage

**IMPORTANT: Due to train activity in the area, it is best to avoid traveling to the facility from Old Seward. It is advised to use C Street or King Street instead.**
